In a day and age where conformity is shouted from the media and echoed from those around us we as Christians are called in every area of our lives to be "different". We're not to let the world press us into its mold. It is our desire here at Nebraska Christian to be "different" from others in our everyday lives. We are not called to be odd but set apart from this world.

# *Dare to be Different*

*"Do not conform any longer to the pattern of this world, but be different\* by the renewing of your mind. Then you will be able to test and approve what God's will is - His good, pleasing and perfect will."*

Daisuke came at the end of the summer vacation in late August. He said one of the things he enjoys most at N.C. is the sports. Daisuke will be going back to Japan at the end of May, and will be missed by many of us.

1986-87 Cheerleading was a lot of fun this year. Everyone worked together well and had fun. Planning pep rallies and trying new ideas were all very successful. We also had quite a challenge at selling N.C. cups for a fund raiser. By the way, would anyone like to buy one?!!

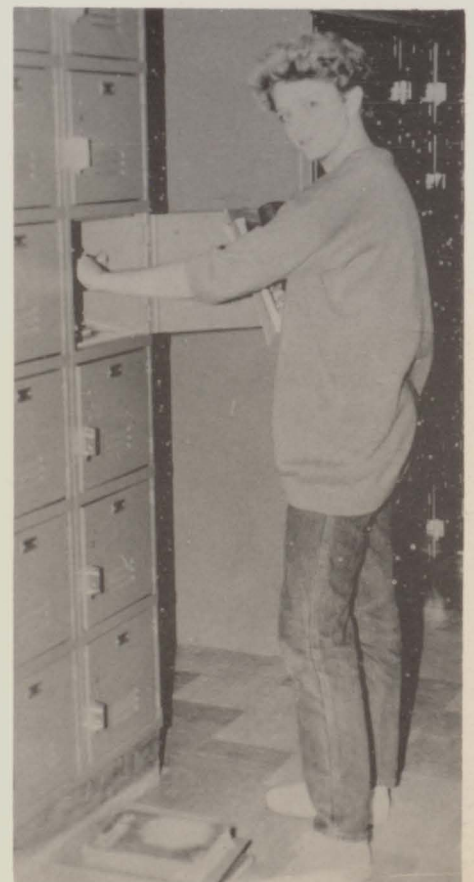

Above: How does he do that ?!"  
 Bottom Left: "Straighten up,  
 there's mom !"  
 Bottom Right: "Gimme a  
 break."

Above: It's a touchdown ?!

Far Left:  
"I'm so  
embarrassed!"

Left:  
"Isn't she  
gorgeous?!"

Middle:  
"Guess what  
we just did."

Above: The agony of de-FEET.

Left: "And they said we couldn't  
cook !"

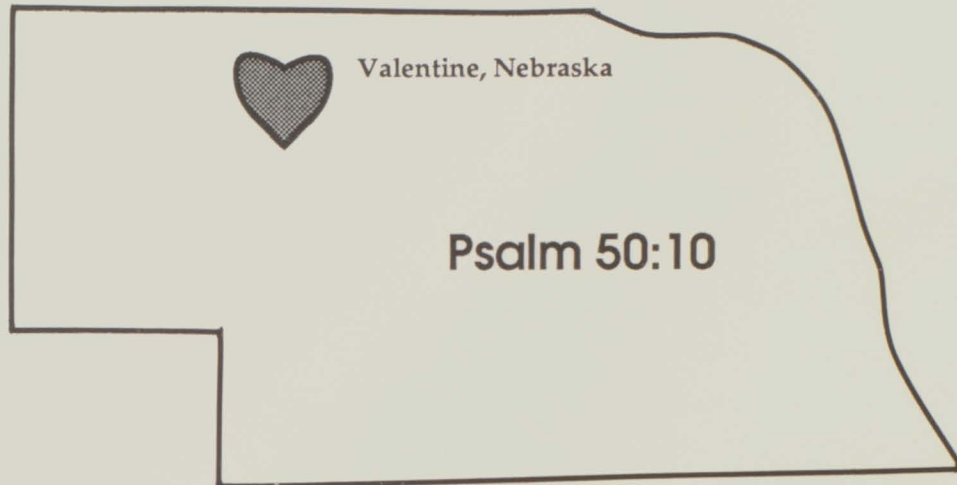

*As the '86-'87 year comes to a close, we must realize an important truth. Each of us has different talents, different dreams, and different destinations. Yet we have come together for one purpose: To learn God's ways so that we can truly "Dare to be Different". We need not only be different from the world but different from each other. We need to be what God has made us, not what people want to make us.*

*We have grown together and shared joys and sorrows. We will never forget the school year of 1986-1987. We may never see one another on this earth again, but one truth remains: Christians never meet for the last time. We will all be together again.*

The Reflector staff would like to thank Miss Johnson and Miss Lipke for all their hard work and love that they have put into making this years yearbook one of the best. We love you.
